Student Application for the 2009-2010 School Year

The Open Enrollment Period for the 2009-2010 school year is January 5th, 2009 through February 11th, 2009.

If we have received, by 5PM on February 11th, more applications that we can accommodate in any grade, we will hold a lottery for those grades during a public meeting at the school on February 12th. Based on the lottery, some applicants will be offered the opportunity to enroll. The other applicants will be put on a waiting list. **Applications must be returned via postal mail or brought in person to Yinghua Academy.**

The only preference we give in admitting students is for children who are siblings of current Yinghua Academy students. In order to get this preference, the parents MUST submit an application before 5:00pm on Feb 11th for the additional child they want to enroll. Kindergartners MUST be 5 years old on or before September 1, 2009.

After the close of the Open Enrollment Period, we will continue to accept applications for all grades. If there is not space available in any grade, the prospective student will be put on a waiting list.
